United Methodist Committee on Deaf and Hard

With the editor's helpful introduction, including performance suggestions, this compilation of 20 pieces will most definitely accomplish the composer's goals. A statement on missions and Deaf theology. Wayne Morris is all of these things.

Prof Wayne Morris

Hull, Emeritus Professor of Religious Education, University of Birmingham and Honorary Professor of Practical Theology, Queen's Foundation for Ecumenical Theological Education, UK. Theology without Words is a well written book and challenges 'mainstream' theology to take more notice of other theologies, particularly the story-telling nature of Deaf theology. In the United Methodist Church, these rules are expressed in the Discipline and Book of Resolutions.

Theology without Words: Theology in the Deaf Community: Morris, Wayne: 9780754662273: Books

He was previously National Coordinator of Church Action on Disability and has worked alongside Deaf people in the churches and education in the UK for 10 years. Author and art historian Britta Erickson leads his insightful look at Xu Bing's development as a significant artist, and Xu Bing himself contributes a fascinating chapter on his life and work.

Theology without Words: Theology in the Deaf Community, Ecclesiology

His experience gives fascinating new insight into the nature and significance of language, the meaning of deafness, the fierce controversy between advocates of signing and of oral education, and the longing for full communication that unites us all. Synopsis This book is a study of a Christian theology without words, focussing on theology in the Deaf Community. How can human language pretend to communicate the ineffable? Winning Him Without Words presents 10 Christ centered keys to thriving in a spiritual mismatch.
