Raja'a Al

Her firsthand fieldwork combined with sound analytical judgement reveals the true nature and likely course of democratisation in the second largest country in the Middle East. Raja'a became a journalist, then editor, covering the modern literary scene of Egypt during its most formative years. In this study May Kassem examines the functions of the non-competitive party system in contemporary Egypt and raises a number of issues that cast doubt on its durability.

He retired in 2008, continuing to write actively on literary topics he had focused on throughout his career. The authoritarian rule which was established in Egypt by Nasser in the early 1950s appears to have been preserved to date, not simply as a result of the immense powers which Nasser vested in the office of the presidency, but, more subtly, as a result of the clientistic co-option strategy adopted by his successors, Sadat and Mubarak.
