Eligibility for teacher training

The Department of Basic Education wishes to salute all schools and teachers who have entered the National Teaching Awards since 2000.

Teacher Education And Mentoring (TEAM) Program

This provides a collaborative opportunity for both teachers to grow and improve. Please note that NCTL reserves the right to require a successful consortium to form a single legal entity once they have been awarded the contract, in accordance with regulation 19 of the Public Contract Regulations 2015.

Teacher Education Section

Tell your interviewers about the qualities you have which they're looking for. However, teachers must also protect student information and avoid sharing it with unauthorized individuals. Talk to anyone you know who works, trains or studies there, and find out what you can online about their curriculum, academics, recent Ofsted report, catchment area and specialisms.

How to Become a Teacher

Many schools ask prospective teachers to demonstrate their academic ability through a foundational curriculum that includes general education courses in math, science, and English.
