Goethe

Considering the leaf as an example of this Urphänomen, Goethe traced its metamorphosis from a seed into the stem, then leaves, then flowers, and finally its stamen or pistil. Most of his scientific work now seems old-fashioned.

Goethe

The death, or suicide, or marriage, or resignation in the face of overwhelming social or familial pressure is a culminating little bump in the otherwise long, smooth, and highly scenic road. To do that, the scientist needs to describe the progressive modification of a single part of an object as its modification over time relates to the whole of which it is the part.

Johann Wolfgang von Goethe (Author of *The Sorrows of Young Werther*)

But it is nothing exceptional for a philosopher to disdain the character of what is passed along under the name philosophy by professional academics. Increasingly fascinated by botany, he studied the pharmacological uses of plants under August Karl Batsch 1761-1802 at the University of Jena, and began an extensive collection of his own.

Young Goethe in Love (2010)

He thought that people like were too strict about writing poetry. In the year 1771, the young poet, now 22 years of age, took his degree as Doctor of Laws, and went for a short while to Wetzlar am Lahn, the seat of the imperial chamber of the then German empire, and which afforded peculiar facilities for young men engaged in the study of public law. Of this last work, thoroughly German both in form and feeling, the heroine was Christiane Vulpius, a highly attractive though not a highly gifted woman, who bore him a child - his eldest son - in 1789; but whom he did not formally marry until 1806, when the invasion of Weimar by the French made him fear for both life and property.

Goethe's Faust

She hands out noblest Gifts, like the girl she is, as the mood might take her.

How to pronounce Goethe: ne-x.uni.rf.gd

Like his work on morphology, his theory of colors fell on mostly deaf ears. If Ariadne, asleep, was so fair: Theseus how could you go? In 1774, such mass produced bindings were unknown. If you want to grasp the fruit then, Hurry now and take your share! But, where Werther can see no way out of his predicament except suicide, Wilhelm is allowed to end the novel as a father and a husband, prepared to enter into the responsibilities of adulthood.

Goethe

His contributions to include his work in botany and his. For Hegel, famously, a natural object has achieved its greatest perfection when it brings forth its full implicit content in explicit conceptual representation.

Johann Wolfgang von Goethe (Author of The Sorrows of Young Werther)

Effects we can perceive, and a complete history of those effects would, in fact, sufficiently define the nature of the thing itself. For me too may a resting-place be ready! Faust uses in the hope that it will tell him everything about life.
