## Ethical Concerns in End

In a unanimous vote, the Court held that there was no constitutional right to physician-assisted suicide and upheld state bans on assisted suicide.

## Ethics and Health Care: Rethinking End

John Engler signs into a law a bill passed by the legislature banning assisted suicide.

## Strong Public Support for Right to Die

We should reject laws that legalize the practice. It is a vexing issue because, despite at least 40 years of intense medical and public debate, we still have problems dealing with it, and they may be getting worse, not easier.

## Ethical Concerns in End

The state of Oregon was the first to pass the Death with Dignity Act in 1997, and since then, Washington, Vermont, and New Mexico have followed suit Volker, 2010. In this dilemma both viewpoints make an excellent argument and have key points that are compelling.

## Assisted Suicide: A Right or a Wrong?

These worries have changed only modestly over the past 15 years. Governments should punish evil and encourage good, executing justice on wrongdoers and defending the weak and defenseless.
