More important, from the viewpoint of illustration, it also led to the appearance of numerous periodicals aimed at a less learned readership: periodicals such as the popular weekly, the women's weekly, the religious magazine and the children's weekly - the hugely successful Illustrated London News was launched in 1842, one year after the British humorous magazine Punch, which was launched following the earlier success of Cruikshank's Comic Almanac 1827-1840. Hanna-Barbera sent Jerry Smith to help set up the company and eventually owned half the company.

After leaving The Yellow Book, Beardsley joined the recently founded Savoy Magazine, which published some of his best designs.

Foxes in popular culture, films and literature

See also illustrations by the Master of the Narbonne Parement, the Boucicaut Master, and 1420-81.

Foxes in popular culture, films and literature

In contrast, the 1930s was a bleak era of depression and recession. Led by Ernst Keller, the group went on to develop the important International Typographic Style after the Second World War.

Foxes in popular culture, films and literature

In 1991, Cuckoos' Nest had to lay off 200 employees in Taipei.
