**Sandra L. Halverson**

Association pour la Recherche Interculturelle 45: 30-36.

### References

Target 2 1 : 115-119.

### Bayer

Cohesion is one of the standards of textuality; it is mainly concerned with mutual connectivity of items in the surface structure of a text. More human, more effective medical care? Citation de Pedro Ricoy R 1997 Rediscovering the World, Relearning Language: Figurative Meaning in Other People. Russo a cura di 2005.

**Sandra L. Halverson**

Olomouc CZ : Palacký University.

### References

This provides a framework for examining the construction and circulation of the author-function as it is contextualised by the dominant narratives of the target culture and subject to variation over time and space.

## **Conference Interpreting**

Taking three translations as cases in point, the project analyses linguistic shifts and paratextual features to reflect on the conscious and unconscious reframing of Wolf's texts and the construction of her author-function in English translation. Conflict resolution quarterly 27 4 : 423-445.
