Elementary Education

All of our programs are research-based and incorporate best practices in adult education, pedagogy, and classroom strategies.

Elementary Education

Our programs require clinical experiences that must be completed at an accredited school in your area. A signature program of NMAAHC, Let's Talk! NMAAHC's offerings for educators are designed to stimulate new ways of thinking and cultivate a passion for lifelong learning. If you live in a country other than the United States, you will need to check with your country to find out about required educational credentials required for teacher licensure.

NDE Teach In Nebraska

For specific information about your state's licensure requirements please visit the. You must take this exam at an approved testing center.
