De-la-Garde, Edye, and Barnes, are the surgeons, and Dr.

Bedfordshire

One clue as to Mauvoisin lineage is gleaned from the fact that from the remotest of times they were associated with Cerquigny or Serquigny, canton and arr. An unwise, temporising policy appears to have governed his actions. We are told that the same year, i.

Bedford Out and About

The nave has an arcade of three bays on the north side with arches similar to the chancel arch resting on square piers and abaci ornamented with 13th-century trefoiled leaves. It is satisfactory to know that all possible discoveries as to the antiquities of our villages have not yet been made.

Bedfordshire Family History Society.

Ormerod, in his Miscellanea Palatina, gives a well-authenticated pedigree of the baronial family of Montalt, derived from Robert Dapifer de Montalt, alias Robert Fitz-Ralph Fitz-Norman, mentioned in the Pipe Roll of 31 Henry I.
