They should also be relatively tall and having some color never hurts. Pieces that date prior to 1930 have a chance to be special. Lots of different colors and shapes were used.

Who's Who in Vintage California Pottery Companies

See what others collect and you need! See what other collectors have! He masterfully depicts the Ceramic Arts pieces with stunningly clear and crisp photographs taken by the author. Hampshire pots are not as valuable as many other similar vases made during the same time period.

Roseville Pottery Identification and Value Guide

Wisteria was introduced in 1937 and is a pattern that consists of a heavily embossed lavender wisteria blossoms hanging from green vines and a large grouping of green leaves.
