Biology of weeds - a symposium of the British Ecological Society, Oxford, 2d-4th April 1959.

Blackwell Scientific Publications - Biomass allocation, growth, and photosynthesis of genotypes from native and introduced ranges of the tropical shrub Clidemia hirta

Description: -

Ornamental hairwork -- Collectors and collecting.

Combs, Ornamental -- Collectors and collecting.

Nigeria -- Politics and government -- 1993- -- Congresses

Democracy -- Nigeria -- Congresses

Monsters -- Fiction.

Childrens stories, English.

South Africa -- Politics and government -- 1994-

Globalization.

Social problems.

Puerto Rico -- Social conditions -- 1952-

Puerto Rico -- Economic conditions -- 1952-

Puerto Ricans -- United States -- Social conditions.

Puerto Ricans -- United States -- Economic conditions.

Northwest, Pacific -- Economic conditions.

Industries -- Northwest, Pacific.

Natural resources -- Northwest, Pacific.

Middle East -- Relations -- United States.

United States -- Relations -- Middle East.

Yukon Territory

Northwest Territories

Plant ecology -- Congresses.

Weeds -- Congresses.biology of weeds - a symposium of the British

Ecological Society, Oxford, 2d-4th April 1959.

-biology of weeds - a symposium of the British Ecological Society,

Oxford, 2d-4th April 1959.

Notes: Includes bibliographies.

This edition was published in 1960
