British Sea Power on Apple Music

There have been songs about American rocket pioneers and the indigenous peoples of Greenland. The BSP audience has always been among the most supportive known to modern music. The critical appeal of the band, since their debut, has been generally high but also uneven, and their commercial profile has very slowly declined.

Open Optimism: Interview with British Sea Power

Chickens stolen from local farms, giving them an exciting new free-range existence in our back gardens. But their dad Derek was a hard worker who bought a tidy family home in the mild-mannered Salford suburb of Worsley.

The Future of British sea power (Book, 1984) [ne-x.uni.rf.gd]

The BSP tour manager had to trawl long and hard across the Eden site to find wandering BSP frontman Yan.

The future of British sea power: edited by Geoffrey Till Macmillan's Press, London, 1984, 278 pp

You can help correct errors and omissions. Let The Dancers Inherit The Party sees the band return to the exhilarating and bright-minded guitar music that has seen them nominated for the Mercury Music Prize and which has drawn praise from David Bowie, Lou Reed and the National Maritime Museum, alongside Doctor Who, Harry Potter and Sherlock Holmes Peter Capaldi, Daniel Radcliffe and Benedict Cumberbatch have all declared an interest in the band. But right now you can have a MIGHTY MATERIAL AFFECT.
