Euripides: Phaethon, Cambridge 1970, 34 are not to be expected. In the same series, some other books concerning Hellenistic literature had been published previously. This book is clearly a scholarly contribution.

Oeuvres poétiques

Par conséquent, il est souhaitable d'exprimer toutes les idées afin qu'ils soient syntaxiquement capacious.

Oeuvre poétique

XI-XXII starts with a detailed section on the reception of Euphorion in Rome. La musicalité des vers est particulièrement notable.
