Trial of the Pyx coins for sale.

Among some of the coins to be tested this year will be the only official UK £5 coin commemorating the royal wedding of His Royal Highness Prince Henry of Wales Harry and Ms Meghan Markle; a set of 50p coins to mark the 100th Anniversary of The Representation of the People Act; a set of £2 coins to commemorate the 100th Anniversary of the First World War; and a £5 Silver Proof Coin to mark the 5th birthday of HRH Prince George.

Inside The Trial Of The Pyx

Since at least 1282, coins produced by the Royal Mint have been independently checked in a proceeding known as the Trial of the Pyx, which takes its name from the pyx or box in which were kept the sample coins set aside for testing.

The Royal Mint's and the coins tested at Trial of the Pyx

Pyx A The Trial of the Pyx means that your valued proofs went through some grubby hands and were likely tossed into a property and an interest part of the Pyx means that your valued proofs went through some grubby hands and were likely tossed into a property and an interest part of the Pyx means that your valued proofs went through some grubby hands and were likely tossed into a property and an interest part of the Pyx means that your valued proofs went through some grubby hands and were likely tossed into a property and a property and

into some wooden bowl and bashed around in some bags before and after the Trial. Its continuation has not only preserved an important part of history, but also adds to the quality assurance of the products produced by arguably the finest mint in the world.
