He asked the mother to feed her milk to the child with great care of purity. The plate was kept in front of the Allama.

Islamic Consultative Assembly

The Shah made a futile effort of winning over Majlisi against Aurangzeb by giving him a high level post in his court but failed to win his support for his wars against the later. Allama created the interest for studying the traditions and to preserve the four great books for the posterity he encouraged his students to study them and fully copy the four books. During the compilation of Bihar al-Anwar, one of his students once brought in a book in which the Allama found a few crumbs of bread.

Mailis

I wish to use my pen for the benefit of the people of wisdom and knowledge. Therefore, my brothers in Faith! He retained in his strong memory the learned solutions for the problems that his father suggested to his visitors.

Allama Baqir Majlisi
