Kobo Daishi (Kukai) as a Boy (Chigo Daishi)

The yasurimei is yoko, katte sagari, and sujikai. Now, in my opinion, sex in its pure form should be when both sides consider each other a lover. Shun is one of the main characters of the series.

Kikuo

For the literary club which Ichigo was part of, they must prove that they deserve a club room and funds by selling 100 copies of their latest work. But the main question lies with Aaya's motive: Does she even understand what it means by accepting her brother's request? The story is centered on the couple Saitou and Kawakami.

Ryukyu Kobudo Weapons

BOSHI: Ko-maru sagari or midare komi in a small pattern with a short kaeri. Although every scenery, person, love scene, or bench, doesn't live up to 2010-2012 standards, the style used gives the ambiance of a world isolated to two girls. Kiiko is NOT a tsundere.

Kūkai

The no-frills kobudo is solid, and there are many useful little gems of wisdom along the way.

Koi Suru Kanojo no Bukiyou na Butai

She is also cautious and wary of the other girls around Ichigo, especially.

Kobo Daishi (Kukai) as a Boy (Chigo Daishi)

Kuttsukiboshi is, bluntly, not what you'd expect on a positive and negative note, but is definitely one of the better shoujo-ai anime there is.
