Gardening Tips For Beginners

I teach urban homesteading and work with local churches to begin community gardens. This is a gathering together of many ancient techniques from many cultures. When we buy seeds, we order them from Seed Savers Exchange.

25 Gardening Tips Every Gardener Should Know

If you have a plant that likes to dry out between waterings, you don't want to put it in a pot with plants that like it wet. Note: We have updated to a new POS system. My compost pile is enriched by rabbit droppings.

Gardening Tips For Beginners

But value can also be about flavor, which may mean earmarking space for your favorite tomato varieties and fresh herbs first, and then considering how much money you could save by growing other crops at home.

40 Gardening Tips to Maximize Your Harvest

That is, unless you plan on using gardening as a time to break a sweat. In turn, this ensures that your soil remains in the best condition to get the job done. I add alternating layers of green and brown material, plus chicken poop, wood shavings and wood ashes.

10 Container Garden Tips for Beginners

Make your containers out of and second-hand stores. I negotiate with schools, senior citizen homes, grocery stores and hairdressers to pick up their compostables.
