#### GRAMMATICALIZATION OF COMPLEMENTIZERS IN OLD ENGLISH

In English, for example, words tend to be smaller than the sentence, and we combine words to form sentences.

#### 4 Introducing the X' schema of phrase structure

My question is: can we consider these preposition-like particles of, on to be complementizers? The quotative performs many extended functions in these languages.

## Sentence structure in linguisites

In order to derive sentences, we will find it necessary to introduce a formal operation called movement, which allows us to represent the fact that constituents can have more than one function in a sentence. In the second part of the chapter, we turn to the representation of the modification relation familiar from.

# Studies in Romance languages: Carol Neidle and Rafael A. Núñez

On how how is used instead of that. As we will show, it is not possible to combine modifiers with elementary trees by the substitution operation introduced in.

#### GRAMMATICALIZATION OF COMPLEMENTIZERS IN OLD ENGLISH

Thing to Remember It's important to remember when trying to identify and use complementizers in that not all of the words identified as common complementizers exclusively belong to that part of speech. VP V-Rule 1 says that a sentence S contain NP and VP in that order.
