My favorite reading is crime fiction, Golden Age to current, but I also read some classics, some general fiction, and science fiction and fantasy. The characters were well described. We have a vehicular homicide and a witness.

## 9780394494173: Susannah Screaming

The novel is a police procedural. Sam informs Susannah that she must make a public confession in order to be absolved.

# Susannah Screaming: A Krug & Kellog Thriller (Krug & Kellog Thriller Series Book 2) eBook: Weston, Carolyn: ne-x.uni.rf.gd.au: **Kindle Store**

One of the cops fixates on him as the culprit and spends a lot of time following up on Rees's alibis and activities. Poor Poor Ophelia became Weston's big break; as far as I can tell, it was her only one. Rees meets the other witness to the homicide, an attractive woman — Susannah Roche for a coffee and a subsequent date involving a meal before she spends a few hours in his motel room.

### Susannah

. This will update your first preferred location. Really entertaining, fast paced reading.

#### Susannah

My Recommendation received a copy of this book from the Publishers via NetGalley. I gave this book 5 stars but it deserves more.
