Limerick: What does the pigeon say? Frack!

He becomes an extremely well behaved ACCURSED WANDERER, then dies, and in POST-HUMOUS FANTASY sequences — though he is too wise really to question the fact of death, and too calmly confident to have doubts about his continuing upward mobility — he learns greater wisdom.

What Was 'Jonathan Livingston Seagull' And Why Was It So Popular?

He is then met by two radiant, loving seagulls who explain to him that he has learned much, and that they are there now to teach him more.

The flocks follow him and create another flock. Publishers frequently used particular marketing tactics to garner sales, including publication of an excerpt in a magazine with a wide circulation or convincing a book club like the Book-of-the-Month Club to adopt it, but Macmillan was unable to use these promotional methods, as no one was interested in the book.
