Are you going to come down into the valley to fight, or are you going to stay up on the hill and remain afraid and defeated? Only two other teams have beaten four top-10 teams in the same month since the Associated Press basketball poll was introduced in 1948-49, and no team has done it since North Carolina State in 1974. For clarity, the name is always written in capital letters with a space between the words. So how is Oklahoma managing to play at such a high level in a conference in which more than half the teams rank among the top 25 in the country? Whoever won became master and whoever lost became a slave.
