Beyond the Moon by Catherine Taylor

Collins reveals new details about the mission and explains what it was like during his solo orbit of the moon. Overall, it is a charming time travel novel full of heart.

Kristin Korb: Beyond The Moon album review @ All About Jazz

While 's place in history has been acknowledged time and again, album-length tributes to the legendary lyricist, songwriter, vocalist, and Capitol Records founder aren't as common as you might think. If you are a fan of historical fiction then this story will be right up your alley. Though Beyond the Moon is a labor of love to appreciate and exquisitely sweet, I wanted to love it even more than I did.

BEYOND THE MOON

All this, coupled with a love story that transcends time, speaks not only to the power of love, but also the power of commitment, determination, friendship, honor and character. Outlander meets Birdsong is this haunting literary timeslip novel, where a strange twist of fate connects a British soldier fighting in the First World War in 1916 with a young woman living in modern-day England a century later.

General William Booth enters into Heaven, and other poems/Beyond the Moon

What Louisa finds as she opens that door shocks her.

Beyond the Moon

And that his name is Lieutenant Robert Lovett... Perfect for fans of Diana Gabaldon, Kristin Hannah, Kate Morton, Susanna Kearsley, Paullina Simons, Ken Follett and Amy Harmon.
