What you didn't know about San Cristobal Island

Utley describes Bruun's death at Bahia San Pedro in his book. A veces la carne salada o charque se exportaba al continente. Con estas tres líneas, Florencio Delgado, arqueólogo de la Universidad de San Francisco de Quito, tenía asegurada mi atención.

REVISTA Clubes...on line: Historias reales: Manuel Cobos en Galápagos.

Varios comerciantes practicaban tan lucrativa actividad.

Manuel J. Cobos y su aporte a la colonización de las Galápagos

While visiting the Wittmers the following day, the ship's crew reported that the chickens had died of meat poisoning. There, the Essex went to the bottom after being rammed by a whale. In 1946 it was decommissioned and subsequently sold to a private owner.

What you didn't know about San Cristobal Island

Teodoro Wolf también mencionó la hacienda en su viaje de Agosto a Noviembre de ese año.

Who lives in the Galapagos Islands?

The lists the Zavorah's passage through the canal Atlantic to Pacific on February 15, 1937. Arrows point to approximate locations of the two groundings.

Manuel J. Cobos, emperador de Galápagos (Book, 1991) [ne-x.uni.rf.gd]

An engraving in the July 13, 1877 edition of the indulges in a bit of artistic license, to show an HMS Geyser seaman, apparently capturing the critter in Galápagos—an unlikely scenario since the ship never visited there. El 87 el comandante Federico Chaignau, de la fragata chilena

Chacabuco, describía la hacienda de la siguiente manera: Un camino conduce desde la playa de Puerto Chico hacia la parte superior de la isla donde está establecida la hacienda del Progreso, propiedad de don Manuel de J. He resided in Suva, and died there on April 2, 1935.
