Things To Do Near Me: Find Fun Activities Nearby

The company is a rare private player in the French cultural sector, managing sites on behalf of public institutions including the Musée Jacquemart-André in Paris and the Roman amphitheatre in Nimes.

VR't Ventures

Marbled tawny full calfskin bindings, ribbed spines with gilded titles and volume numbers, marbled endpapers, red edges, fairly fresh inside, a small lack on one plate see photos. Iconem, which specializes in digitizing cultural heritage sites in 3D, recreated the Mont-Saint-Michel model and site using a process where artificial intelligence process hundreds of thousands of photos—taken by drones and cameras on the ground—to render models that are so precise, they look fully photo-realistic.

Art Terrarium

Some artists countered the decline in patronage support by holding their own exhibitions and charging an entrance fee. Experience our emerging scene and discover the latest installation.

Company behind blockbuster immersive art experiences expands to New York former bank and Dubai shopping mall

He is professor of digital image elaboration at the Accademia di Comunicazione e Immagine of Rome. Since in 2004, Xperience Days® has been offering exciting and unique Experience Gifts.
