# Stamps.fo

The Soviets proposed a moratorium. Come again on Monday when there will be another story to be learned from stamp collecting.

#### Stamps.fo

The global-free access to philatelic research from partner libraries has established the library as one of the most significant philatelic developments to have ever taken place. His first poems were political and slightly bombastic.

# **Curators**

The biggest change though was to change the place from an international place where different people mix to non Muslims voting with their feet and leaving.

#### Philatelic literature

Severn remained the editor of Mekeel's for the rest of his life.
