Lumbee Language and the Lumbee Indian Culture (Croatan, Croatoan, Pamlico, Carolina Algonquian)

Critics acknowledge the importance of English but allege that this movement smacks of anti-immigrant prejudice and would help destroy ethnic subcultures.

Lancashire dialect

In many works of fiction, fairies are freely mixed with the and of classical tradition, while in others e.

Chicago, University of Chicago Press. Pig love thus makes as much sense for the Maring as pig hatred did for people in the time of the Old Testament and the Koran.

Examples of Oral Tradition

One key to avoiding gendered bias in language is to avoid the generic use of he when referring to something relevant to males and females. The rugged landscape of the North, with its misty mountains and moors traversed by mounted warriors doing battle, is a mythic landscape, and appeals

to my love of medieval legends. Thoo'll tek nee notice any road! The following example of such a lesson comes from my friend who studied abroad in Vienna, Austria.

Native American Legends (Folklore, Myths, and Traditional Indian Stories)

I hoy, you hoy, he hoys, I hoyed.
