Studien zur deutschen Literatur

. One member of its teaching staff was Georg Christoph Lichtenberg 1742-1799.

ZDB catalogue

The 'key principle' as a complementary procedure to cryptographic writing and deciphering reading is demonstrated here with reference to various narrative texts, beginning with the courtly romance, extending to Chr. Exposed to the rival pulls of emancipation and reconciliation, Heine urges a holistic view of life permeating all his output from the early prose to the final death poems.

BORIS

In a period calling increasingly for political commitment on the part of the author, Mann saw himself obligated to review the fatalistic and unpolitical stance he had hitherto adopted. With reference to poetics, aesthetics, and philosophy, Ralf Berhorst's study examines the analogies drawn by Jean Paul between literature and history and paves the way for a new understanding of the structure of his novels.

Publikationen
