One positive is that the puzzle mini-games do get harder and more complex as you advance through the levels, and you do have to finish at least one mini-game per area in order to complete it.

I Spy Spooky Mansion PC Differences

Deluxe-There is just one piece of paper with a picture of the house with arrows pointing to both floors. Excellent for building motor skills and problem solving.

I Spy: Spooky Mansion Game

Excellent for building motor skills and problem solving. Why is this software program no longer available in our Catalog? Race the clock, it's not so hard! So fun and the nostalgia is insane.

I SPY Spooky Mansion

Promotes visual, memory and reading skills. Know your child's taste before letting them play.

I Spy Spooky Mansion PC Differences

There are motion-gaming moments where you may have to turn a crank or swing a net to catch bugs; and at other points, you have to aim a flashlight into the darkness. Each card and board have only one matching pair.

I Spy Spooky Mansion PC Differences

Briarpatch is recognized world wide for it's well-designed preschool games and puzzles. I played with my six-year-old niece in 1999 and we were both hooked. That would be my only criticism.
