Yakima Basin Environmental Education I would like to ask that you continue to support the YBEEP program. The State of Utah and Ashley Valley initiated action when the USFWS threatened prosecution under the Endangered Species Act due to effects to endangered fish. WDFW urges people to not handle wild animals, especially if they appear sick or are found dead.

Legislative

These lands are susceptible to the degradation of ground water quality and quantity that could potentially impact potable water systems.

U.S. Fish and Wildlife Service

Field surveys were conducted on all seventeen high priority lakes as well as three connecting lakes. New locations of animal species documented during this period included Prairie Vole, Chestnut-collared Longspur, Black-throated Blue Warbler, and Four-toed Salamander.

Chapter 2

The National Park Service Organic Act of 1916, as amended 39 Stat.
