In manufacturing, Mexico has the advantage of high and free trade agreements with multiple nations. . GDP Composition The composition of the gross domestic product is broadly split into the primary sector agriculture , the secondary sector industry , and the services.

No One Is Illegal: Fighting Racism and State Violence on the U.S.

The Spanish and, after 1973, the Florunner varieties of peanuts, the production of which had been centered in such north central Texas counties as Comanche and Eastland for decades, flourished in sandy soils on the High Plains, while commercial orchards in thirty counties of Central and West Texas propelled the state to second place in the production of pecans. In a state where two-thirds of the space was pastureland, beef-cattle enterprises, which normally furnished more income than any other agricultural endeavor, operated in every Texas county.

USDA APHIS

Operation Wetback: The Mass Deportation of Mexican Undocumented Workers in 1954. It became a derogatory term applied generally to Mexican laborers, including those who were legal residents.

New Mexico

De León said that the traditional residents disliked how they believed that the new immigrants were giving the Mexican-American community in Houston a bad reputation but added that, at the same time, the new immigrants kept the city's Mexican-American community in touch with the home country.
