John Christopher

And it was Julius who would make the final decision on which of us were chosen. In 1946 he married Joyce Fairbairn, with whom he had five children one son and four daughters.

The Tripods

The contraption of lenses you invented—or rediscovered because they were common among the ancients—is something that passed as an eccentricity in a boy, but the Capped do not have such eccentricities. A world without beer, Unimaginable. Rob, under an alias, ends up living with Mike and his family, and all seems to be idyllic, until events take a bizarre, and dark twist.

John Christopher Books

The book has been awarded with George C. What follows entails a couple of sinister twists, including an offered deal-with-the-devil for Rob. The failure of the scientists has been matched by the failure of the state.

John Christopher

It was as difficult and dangerous as Ozymandias had promised. During a break we lay on the grass and looked down.

ResoluteReader: John Christopher

Their treatment of the slaves, rather than being harsh and thoughtless, was reasonable to the point of being friendly, with luxuries provided for them. I am having to buy another unabridged copy.

John Christopher Books

Some people, whose minds are broken by the Caps, become vagrants.

John Christopher

We had Caps, taken from those killed in forays into the valleys, which could be molded to fit the skulls of the ones chosen.
